O R D E R

On September 17, 1982, the Commission issued an Amended Order in Administrative Case No. 251, "The Adoption of a Standard Methodology for Establishing Rates for CATV Pole Attachments," and ordered electric and telephone utilities providing or proposing to provide CATV pole attachments to file tariffs conforming with the principles and findings of the Order on or before November 1, 1982.

To the date of this Order, Salem Telephone Company ("Salem") has not filed rates, rules, and regulations governing CATV pole attachments. Therefore, the Commission is of the opinion and finds that:

1. Salem has not complied with the Commission's Order of September 17, 1982.
2. Salem should be allowed additional time to comply with the Commission's Order of September 17, 1982.
3. Salem should show cause why it should not be subjected to the penalties provided under KRS 278.990, in

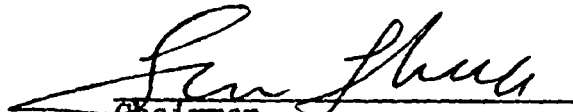

the event it further fails to comply with the Commission's Order of September 17, 1982.

IT IS THEREFORE ORDERED that Salem shall file rates, rules, and regulations governing CATV pole attachments on or before November 25, 1982.

IT IS FURTHER ORDERED that Salem shall show cause why it should not be subjected to the penalties provided under KRS 278.990 at a public hearing scheduled for December 14, 1982, at 9:00 a.m., EST, in the Commission's offices at Frankfort, Kentucky, in the event it fails to file the rates, rules, and regulations ordered herein.
